NOTICE

WHILE THESE SELECTIONS ARE FROM THE REPERTOIRE OF CHALLISS, it will be discovered that they will readily yield to the musician of average ability.

The original manuscripts used for the transcriptions are the private property of Dr. R. Elmore Challiss and are now published for the first time; they are moreover so freely treated that they constitute, in fact original works. Further transcriptions of any of these compositions will therefore constitute an infringement of copyright. When played in public Dr. Challiss' name should be mentioned on the programme.
